Re: *In re: Pharmaceutical Industry Average Wholesale Price Litigation*, MDL
No. 1456

Dear Scott:

We wish to schedule the completion of Mr. Alverson's deposition for August 19, 2004. In addition, AstraZeneca should produce a witness or witnesses who can testify with respect to the full time period covered by the Amended Rule 30(b)(6) Notice of Deposition ("Amended Notice").

The scope of discovery is at least to January 1, 1991. Nevertheless, Mr. Alverson clearly testified that he knows current information only. (See Alverson deposition, pp. 5-6). Similarly, Mr. Freebery demonstrated little knowledge of matters beyond the merger resulting in AstraZeneca.

With regard to witnesses who can testify to the full temporal scope of the Amended Notice, we would like to schedule the deposition(s) to begin on August 20, 2004, and continue from day to day thereafter until the deposition(s) are completed.

If these dates and times are inconvenient for you, we will work with you to arrive at mutually satisfactory ones.
